

NORTH CAROLINA EX-WIND HO3

Agent Quick Reference — North Carolina Wind-Excluded Homeowners Program

This sheet summarizes key highlights for quoting purposes. It is not a substitute for full underwriting guidelines — when in doubt, contact your underwriter.

WHAT THEY DO WELL

- Owner-occupied, seasonal, or short-term-rental homes (max 30 weeks/yr) that don't fit standard/preferred markets
- Home values \$150,000–\$1,500,000
- Protection Classes 1–10, coastal and beach NC territories
- Homes up to 60 years old (no 1980s-built homes, no exceptions without an approved updated property card)
- Row/townhomes up to 8 units with firewalls between units
- Best fit: well-maintained homes with visible pride of ownership, responsible/employed applicants
- Minimum written premium of \$50

OPTIONAL COVERAGES

- Extended Replacement Cost
- Ordinance or Law
- Water Back-up & Sump Pump Overflow
- Dwelling ACV loss settlement (in lieu of RC)
- Personal Property Replacement Cost (in lieu of ACV)

Included as standard on every policy:

- Min. \$1,000 all-peril deductible (excludes windstorm/hail)
- Min. 40% personal property / 10% other structures / 20% loss of use
- Min. \$100,000 liability & \$1,000 medical payments
- \$500 credit card/forgery, \$500 fire dept. charge, 5% trees/shrubs

WHAT WE CAN'T WRITE

- 3 or 4 family dwellings; condos; manufactured/mobile homes; log, earth, or dome homes
- Homes under major renovation, vacant, condemned, or with unrepaired damage
- Metal, non-conventional, or DIY/homemade construction; flat, tin, or rolled roofs 20+ yrs old. 25+ years for shingle and 40+ years or metal.
- Non-thermostatic heat, kerosene/space heaters as primary heat, or no smoke detectors
- Unfenced pools; vicious-breed dogs or exotic/farm animals on premises
- Business on premises with employees; farming operations
- Applicants with 3+ losses in 3 yrs, a loss over \$50k, foreclosure, or an arson/fraud conviction
- Fuse boxes, aluminum, or knob-and-tube wiring; systems not updated within 40 years
- Homes built in the 1980's

Territory reminder: Beach territory (NCRB 110/120) vs. Coastal territory (NCRB 130/140/150/160) determines eligibility — check the beach area map link on the full guideline sheet before quoting.

Inspections: Exterior inspection required within 60 days of new business; renewal inspections ordered every 3rd renewal.

Cancellations & transfers: No flat cancellation once coverage has been provided. Policies may not be transferred or assigned.

Where to find the rater: Log into www.jjins.com → Get a Quote → Condo/Dwelling/Homeowners → Markel Admitted X-Wind HO3 Rater (Available in NC Only)
