Eligibility

4-Point, Wind Mitigation Inspections and Proof of Prior Insurance	Retain in Agency file/Available for audit: Proof of Prior Insurance, 4-Point Inspection (within 3 years) if property is over 35 years of age, and Wind Mitigation Inspection
Barrier Islands	Subject to UW review. Island must be accessible by a road connecting to the mainland
Electrical	Properties with fuses, active "knob & tube", aluminum wiring or with electrical service less than 100 amps are ineligible
Farm or Ranch (farming incidental)	Subject to UW review and acreage limitation of 5 acres maximum
Heating	Portable heater or open flame as a primary source of heat are ineligible. <u>Exception:</u> Permanent and factory or professionally installed central gas, fireplaces, or wood-burning stove heat systems
Trusts	Dwellings owned by a living trust, revocable, or irrevocable trust, AND the trustee/grantor uses the property as a primary residence (added as additional insured)
Incidental Occupancy (Business) or Day Care	A property with a business or daycare operating on-premises is subject to UW review
Lapse in Coverage	Lapses 30 day + are ineligible. Any lapse less than 30 days is subject to UW review and a surcharge may be applied <i>*This includes new purchases without continuous coverage since closing</i>
Prior Claim	All claims must be disclosed at time of quote. All claims are subject to UW review
Protection Class (9 and 10s)	PC 9s are subject to UW review, and 10s are ineligible
Properties over 50 years old	Wiring, heating & plumbing must have been updated within the past 35 years with documented proof of updates. The updates must be completed or approved by licensed professional
Secondary/Seasonal Occupancy	Proof of secured location (burglar and fire alarm or gated/guarded community) is required if property is unoccupied continuously for 3 + months. If unoccupied continuously for over 6 months, 10% surcharge applies and proof of secured location is required
Solar Panels	Solar Panels are covered within Coverage A, when Insured owned
